

Join Us!

The IAVCEI Commission on Volcanic and Igneous Plumbing Systems is looking for 3 members to join the 'FocusOnVIPS' Blog and Social Media team!

The team is responsible for producing and editing a series of monthly to bi-monthly blog post, as well as managing the social media and website.

The term will start October 2022 and lasts 2-3 years.

We are looking for:

- Applicants who are enthusiastic and motivated and are working on volcanic and igneous plumbing systems
- Applications with strong science communication skills
- Applicants who enjoy writing and outreach
- We strongly encourage applications from early career researchers (MSc, PhD, post doc, or research/teaching fellow within 10 years of a MSc/PhD) and under-represented groups
- Bi-lingual blogs and social media posts are encouraged!
- We accept applications from individuals or teams (all members should have a degree)

Apply with a motivation paragraph (500 word max.) and CV for all applicants to vipscommission@gmail.com by September 16th 2022
